LETTER OF COMMENDATION FOR SUCCESSFUL 22KV and 66KV BLOCK PARALLEL

On behalf of Micron Semiconductor Asia Operations Pte Ltd, we would like to put on record our appreciation to ON Engineers' team for their professionalism, great team effort and coordination in assisting to achieve a successful block parallel in the safest manner. Given the tight timeline, it is highly commendable that the 22kV and 66kV block parallel was carried out with great efficacy by the team on 10th March 2020 and 19th January 2022 respectively.

The well-prepared system study reports, site support and switching presented by your team is truly commendable. We are happy to have ON Engineers to be our working partners for this project and we look forward to having your team as our valuable partners with continuous support for future projects.

Thank you

Yours sincerely,

Renjith Ravindran
Manager, F10 FAC Electrical
